Tacoma, WA 98418

Virtual Pierce County Fair

We are getting much closer to our Virtual Pierce County Fair! FairEntry is now open to enter your projects: <https://faireentry.com/Fair/SignIn/14103>

- Please remember, all animals and 4-H projects must be in 4HOnline Prior to entering in FairEntry.

- **Due Dates-**

- **July 16 – Educational Posters**

July 24 – Most registration is due

Make sure you check the fair guide in your specific department before registering for all rules and regulations on your project. The fair guide lists what is required for this year. Photos, documents and/or videos are required for specific classes and lots. There is also a help section listed here too: <https://extension.wsu.edu/pierce/fair-event-information/>

Mask Making Kits

Mask Challenge-

We need your help sewing masks! Soon WSU 4-H will be participating in a mask challenge and we will have mask making kits available from the Lieutenant Governor's Office as WSU 4-H is now able to participate in this! Mask kits are being sent to Extension Offices. If your club is interested in working on this project you can pick up a kit shortly in the next week or two. We are currently waiting to receive the materials. The tentative times, dates, and locations are the same as pick up dates for Pierce County Fair T-shirts, July 18th and August 1st at Frontier Park and July 25 at the 4-H Office.

If you would like to make your own and not pick up materials through the extension office, more information is available from the following links:

<https://www.ltgov.wa.gov/mask-kits>

<https://www.ltgov.wa.gov/mask-challenge>

Fair T Shirts & Clothing Orders

Time to order Fair gear! Here is some information on placing your fair T-Shirt, sweatshirt and apron orders this year! Pick up at the Fair office or shipping is also available. <https://s3.wp.wsu.edu/uploads/sites/2088/2020/07/PC-Fair-garment-2020-order-form.pdf>

Free Volunteer Information Training

Cindy Brandt is looking for people to take her "beta" version of a self-paced distance formatting class for 4-H leaders. This is a part of her Masters project.

The class is split into 5 sections, is self-paced, and can be completed on a computer or phone.

The theory behind 4-H.

How to run a good 4-H meeting.

Some information on adapting 4-H to students with disabilities.

Strategies for running a good Zoom meeting.

Tools for running a good Zoom meeting.

To help her with her Masters project, you will also be encouraged to complete a pre and post survey on the class. This will both help her complete her Masters, and to improve the class for future use!

Please contact Cindy Brandt at cinbrandt@hotmail.com or 253-208-2895 for more information. This class will only be available for a limited time, so contact her soon!

Tuesday News

Each Tuesday our State office shares Tuesday News! This is an awesome resource that is added to over each week of the month. More 4-H information can be found here then you probably ever thought. The link stays the same but the information is added every Tuesday. Check it out! <https://extension.wsu.edu/4h/news/>

Virtual Fun Fair Results

We had a great, first ever Virtual Fun Fair this year! With over 248 entries from three different counties, we proved that this is a FUN and fairly simple option for successful future events such as our Pierce County Virtual Fair. If you entered and would like to check your results, please visit our results page here:

<https://faireentry.com/Fair/Results/14363>

If you would like to see the judges comments, please log into the Fun Fair here: <https://piercefunfair.faireentry.com/Fair/SignIn/14363>
