Share Your STEM Project or Activity!

An @4HSTEMShowcase Instagram page has been created, and we would love to profile 4-Her's STEM projects from around the state on it. If it's science of any kind – tech, engineering, or math – we want to see it!

It's easy to share. Just send a jpeg with the 4-Her's first name, county name and project they are sharing to Michelle Green at michelle.green@wsu.edu. We have 4-Hers doing awesome things, and we want to see them learning by doing!

How's Your Internet Speed?

The WA State Dept. of Commerce wants to learn which communities are most in need of better broadband. Visit broadband.wa.gov and take a speed test to provide information about your internet service. It's quick!

Town Hall about 4-H, Racism, and Inequity

If you missed the Town Hall on August 6th, you can still view the recorded portion (pre-discussion) linked on our DEI page: <https://extension.wsu.edu/snohomish/diversity-equity-inclusion/>

Reminders:

Poster Contest Details!

The August poster contest is ON! For the details, visit

<https://s3.wp.wsu.edu/uploads/sites/2053/2020/07/Informational-Poster-Contest-2020.pdf>

State 4-H Fair

The WA State 4-H Fair is carrying on with VIRTUAL still life exhibits! For more information, see their Exhibitor Guide Supplement at <https://s3.wp.wsu.edu/uploads/sites/2050/2020/06/2020-VIRTUAL-FAIR-SUPPLEMENT.docx>

Virtual Showcase Toolkit

Looking for ideas or tips on how to enable youth to show their work in the virtual world? Check out the Virtual Showcase Toolkit at <https://extension.wsu.edu/4h/virtual-showcase-resources/>

Learn to Judge Virtual Exhibits

Recordings of recent judging trainings for virtual exhibits are available at

<https://s3.wp.wsu.edu/uploads/sites/2053/2020/08/Judging-a-Virtual-Showcase-Training-links-2020.pdf>

These are supplemental trainings, not meant to impart subject matter expertise.
